

Module: **HEALTH INTEGRAL PERSONAL CARE**

DBA: Participates in short conversations providing information about him or herself as well as about familiar people, places, and events.

Topic: Give and request personal information and on **Habits and interest and its relation of time**

OBJETIVE: Identify expressions on daily subjects based on short descriptive oral and written texts

Subsidiary objectives:

- Identifies expressions and words related to recreational activities and the frequency of them.
- Completes a form with information related to personal activities based on a simple written text and on the vocabulary and expressions studied
- Values and respects the opinions of classmates

Hoy vamos a construir presentaciones en las que usemos expresiones tales como:

- La semana pasada fui al cine.
- El fin de semana estuve en Comfama.
- Este año estuve en Cartagena.
- El año pasado compré un móvil.

Relations of Time

Tenemos las expresiones: this (este, esta), last (anterior, pasado), next (póximo, siguiente)

Las combinamos con: week (semana) weekend (fin de semana), year (año), month (mes)

Observa y escribe:

Yesterday= ayer Today= hoy Tomorrow= mañana This week= esta semana Last week= la semana pasada Next week= la próxima semana This weekend= este fin de semana Last weekend= el pasado fin de semana On weekend= el fin de semana	Next weekend= el próximo fin de semana This month= este mes Last month= el mes pasado Next month= el próximo mes Last year= el año pasado This year= este año Next year= el próximo año Recently= recientemente The last two day= los dos últimos días
---	--

Ejemplos: I went to the cinema last week. Last week, I went to the cinema. She was in Comfama on weekend. On weekend, she was in Comfama. I was in Cartagena this year.	This year, I was in Cartagena About recently: look at. I was recently in Alabama I recently met with the principal Recently , I spoke to the police and that is true.
--	---
